

Time Precious Time

[Lindsey Buckingham](#)

Take all the time that you want
Take all the time that you need
Slow and easy
You might succeedTime precious
Time precious
Time precious
Time precious timeSearching for scars that you hide
Looking beneath every stone
Half deep half empty
This must be homeTime precious
Time precious
Time precious
Time precious timeTime precious
Time precious
Time precious
Time precious timeRemember
RememberTime precious
Time precious
Time precious
Time precious timeTime precious
Time precious
Time precious
Time precious timeRemember
Remember
