

Say I Do

Frankie J

I just wanna say I do
I just wanna put this ring on you
I want to make your dreams come true
I just wanna say I do
I just wanna say I do
I'm ready to devote it all to you
I want nobody else but you
I just want to spend my life with you girl
I wanna say I do
Now I know we've been together so long
And we've always loved each other so strong
Now the only thing left to do
Is walk in the aisle with you
'Cus it's about me and you
The love we have is so unconditional
To stand the test of time just wouldn't be hard at all
And I love where you sending me
'Cus you're driving me crazy
And you know it baby
Wanna give you all of my heart
Wanna lift you up to the stars
Wanna give you a house and a car
I wanna give you everything
Wanna give you all of my heart
Wanna lift you up to the stars
Wanna give you a house and a car
And baby raise a family
I just wanna say i do
i just wanna put this ring on you
I wanna make your dreams come true
I just wanna say i do
I just wanna say i do
I'm ready to devote it all to you
I want nobody else but you
i wanna spend my life with you girl
i wanna say i do
I know that this is something we both want
We've been dreaming of this day for so long
Sticking to each other through right or wrong

A commitment to our hearts
A promise to our love
Accept this ring is out, here i'll bend a knee
Tell me girl will you marry me
'Cus i just wanna tie it
No need to deny it
I just wanna be with you
Wanna give you all of my heart
Wanna lift you up to the stars
Wanna give you a house and a car
I just wanna give you
Wanna give you all of my heart
Wanna lift you up to the stars
Wanna give you a house and a car
And baby raise a family
I just wanna say i do
I just wanna put this ring on you
i wanna make your dreams come true
I just wanna say i do
I just wanna say i do
i'm ready to devote it all to you
i want nobody else but you
i just wanna spend my life with you girl
I wanna say i do
Let's do what lovers do when they fall in love
Don't have a care in the world
So baby let's call the shots
i just wanna say i do
i just wanna put this ring on you
I wanna make your dreams come true
I just wanna say i do
i just wanna say i do
im ready to devote it all to you
i want nobody else but you
i wanna spend my life with you girl
i wanna say i do
