

Will of the Wind

Jamie Rivera

I've spent half my life
looking for
the reasons things must change
and half my life
trying to make
them stay the same
but love would
fade like summer
into fall
all that I could see
is a mystery
it made no sense at all
the will of the
wind
you feel it and then
it would pass
blowin' steady
it comes and is goes
and God only
knows
you must keep yourselves
on ready
so when it begins get all
that you can
you must befriend
the will of the
wind
i've spent so many hours
thinking
'bout the way things
might have been
and so many hours
trying
to bring the good times
back again
and so it goes for lonely
hearted fools
they let thier days days slip
away
