

# I've Just Seen a Face

## The String Cheese Incident

I've just seen a face I can't forget the time or place where we met,  
She's just the girl for me and I want the world to see we've met.

Mm mm

Had it been another day I might have looked the other ways and,  
I'd have never been aware but as it is I'll dream of her tonight.

Da da

Falling, yes I'm falling,

And she keeps calling me back again.

I have never known the like of this I've been alone and I have,  
Missed things and kept out of sight for other girl were never quite like this.

Da da

Falling, yes I'm falling,

And she keeps calling me back again.

Mm mm

I've just seen a face I can't forget the time or place where we met,  
She's just the girl for me and I want the world to see we've met.

Mm mm

Falling, yes I'm falling,

And she keeps calling me back again.
