Stinging Velvet

Neko Case

Rain falls, I fix my eyes

Let go of the focus and I blur out all the lines

Just to remember, rememberCrying 'cause it's not my fault

Water through my lashes look just like Christmas lights

And I still remember, rememberCold and shivering

Cold and shivering

Cold and shivering warmSing please, rock me to sleep

Quiet as a canyon up under heaven's eaves

I surrender, surrenderDownstairs the furnace swells

Safe from all the horrors in your stinging velvet arms

And I surrender, surrenderCold and shivering

Cold and shivering

Cold and shivering

Cold and shivering
