

Boy, You're Gonna Hurt Someone

Hot Water Music

Boy, you're gonna hurt someone.
Boy, you're gonna hurt someone.
Boy, you're gonna hurt someone.
Boy, you're gonna hurt someone. Everybody call your number.
Everybody hunt for you.
Everybody getting closer.
No one ever wanted to. Life's getting strange.
Flying backwards to the cage. Everybody getting closer.
Everybody hunt for you.
Everybody moving faster.
Everybody learn from you.
Gonna have to run like you've never run.
Gonna have to fly or they'll find you.
Gonna have to come down like everyone.
Gonna have to fly or they'll find you. Life's getting strange.
Flying backwards to the cage.
