

# Reality (La boum)

Richard Sanderson

Met you by surprise  
I didn't realize  
That my life would change forever  
Saw you standing there  
I didn't know I'd care  
There was something  
special in the air Dreams are my reality  
The only kind of real fantasy  
Illusions are a common thing  
I try to live in dreams  
It seems as if it's meant to be Dreams are my reality  
A different kind of reality  
I dream of loving in the night  
And loving seems alright  
Although it's only fantasy If you do exist  
Honey don't resist  
Show me a new way of loving  
Tell me that it's true  
Show me what to do  
I feel something special about you Dreams are my reality  
The only kind of reality  
Maybe my foolishness is past  
And maybe now at last  
I'll see how the real thing can be Dreams are my reality  
A wond'rous world  
where I like to be  
I dream of holding you all night  
And holding you seems right  
Perhaps that's my reality Met you by surprise  
I didn't realize  
That my life would change forever  
Tell me that it's true  
Feelings that are new  
I feel something special about you Dreams are my reality  
A wondrous world  
where I like to be  
Illusions are a common thing  
I try to live in dreams  
Although it's only fantasy Dreams are my reality

I like to dream of you close to me  
I dream of loving in the night  
And loving you seems right  
Perhaps that's my reality
