

# The Creature Walks Among Us

## Blitzkid

Four million years since he last roamed the earth,  
Four million years since he was cradled in mud,  
Four million years sleeping is hell on the soul,  
Four million years feeling nature's due toll.(bridge)

He's waking

He's rising

And I will welcome him,

No one will ever know...(chorus)

The creature walks among us

Whoah-oh-oh (both lines x4)(bridge)

(chorus)

(outro)
