Odds

33.3

Back and forth the same
Be careful how you frame
Your arguments
Your arguments
We've been givin all we can
And it finally shows the end
Of our tolerance
Our tolerance

I know it's hard to say
Throw it all away
But the odds are
We'll be better off
And it's a painful thought
To try another start
But the odds are
We'll be better off
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh

Cast another vote
In our sad terminal
Democracy
Democracy
The word is out on us
We have gone delirious
The floor is falling our from under us
It always does

I know it's hard to say
Throw it all away
But the odds are
We'll be better off
And it's a painful thought
To try another start
But the odds are
We'll be better off

Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
I know it's hard to say
Throw it all away
But the odds are
We'll be better off
And it's a painful thought
To try another start
But the odds are
We'll be better off
But the odds are
We'll be better off
But the odds are
We'll be better off
