

# Suicide (Decoder & Substance Basement Mix)

## Kosheen

Drop that rhythm and you unwind  
Keep that feeling and you step in time  
All too pretty for a real life  
SuicideDrop that rhythm and you unwind  
Keep that feeling and you step in time  
All too pretty for a real life  
Suicide  
SuicideSlip n' slide  
Your eyes are wide  
Tongue-tied  
You slip n' slideShut tight  
Slip n' slide  
Read the line  
The underlinedSlow down  
Ease your mind  
Time to find
