

# Paradise

Sade

I'd wash the sand off the shore  
Give you the world if it was mine  
Blow you right to my door  
Feels fineFeels like  
You're mine  
Feels right  
So fine  
I'm yours, you're mine  
Like paradiseI'd give you the world if it was mine  
Feels fineFeels like you're mine  
And I'm yours so fine  
Like paradiseI'd wash the sand off the shore  
Give you the world if it was mine  
Blow you right to my door  
Feels fineFeels like  
You're mine  
Feels right  
So fine  
I'm yours, you're mine  
Like paradiseOoh what a life  
Ooh what a life  
Ooh what a life  
Ooh what a lifeI wanna share my life  
Wanna share my life with you  
Wanna share my lifeI wanna share my life  
Wanna share my life with you  
Wanna share my lifeWanna share my life  
I wanna share my love with you  
Wanna share my life  
(Ooh what a life)Wanna share my life with you  
Wanna share my life  
(Like paradise)  
Wanna share my life with you  
Wanna share my life  
Wanna share my life with you
