

Paradise

Sade

I'd wash the sand off the shore
Give you the world if it was mine
Blow you right to my door
Feels fineFeels like
You're mine
Feels right
So fine
I'm yours, you're mine
Like paradiseI'd give you the world if it was mine
Feels fineFeels like you're mine
And I'm yours so fine
Like paradiseI'd wash the sand off the shore
Give you the world if it was mine
Blow you right to my door
Feels fineFeels like
You're mine
Feels right
So fine
I'm yours, you're mine
Like paradiseOoh what a life
Ooh what a life
Ooh what a life
Ooh what a lifeI wanna share my life
Wanna share my life with you
Wanna share my lifeI wanna share my life
Wanna share my life with you
Wanna share my lifeWanna share my life
I wanna share my love with you
Wanna share my life
(Ooh what a life)Wanna share my life with you
Wanna share my life
(Like paradise)
Wanna share my life with you
Wanna share my life
Wanna share my life with you
