

Mind Games

John Lennon

We're playing those mind games together
Pushing the barriers planting seeds
Playing the mind guerilla
Chanting the Mantra peace on earth
We all been playing those mind games for ever
Some kinda druid dudes lifting the veil
Doin' the mind guerilla
Some call it magic the search for the grail
Love is the answer and you know that for sure
Love is a flower you got to let it, you got to let it grow
So keep on playing those mind games together
Faith in the future outta the now
You just can't beat on those mind guerillas
Absolute elsewhere in the stones of your mind
Yeah we're playing those mind games forever
Projecting our images in space and in time
Yes is the answer and you know that for sure
Yes is surrender you got to let , you got to let it go
So keep on playing those mind games together
Doing the ritual dance in the sun
Millions of mind guerillas
Putting their soul power to the Karmic wheel
Keep on playing those mind games forever

Raising the spirit of peace and love
(I want you to make love, not war, I know you've heard it before)
