Fool

[God Lives Underwater](#)

These days, I'm gettin' older
Before my time
To say, I'm gettin' stronger
Would be a lieI think, you're tryin' to break me
Seems so unreal
Don't know how to take me
Don't know how I feelLook around you
Do you see what I see?
Other people think you try to
Make a fool of meIt seems to take so long
Till anything gets done
Why do I have to lose to get things
I've never won?I'm defeated again
I see the look on your face
I've got that feelin' again
My mouth has a bad tasteLook around you
Do you see what I see?
Other people think you try to
Make a fool of meMy hope in empty promise
Put me to shame
I know, it's what you wanted
I need the painI was gonna be someone
You held me down
Didn't want me to move on
You let me drownLook around you
Do you see what I see?
Other people think you try to
Make a fool of meLook around you
Do you see what I see?
Other people think you try to
Make a fool of me
