Prime Evil

Pig

A bitter communion of wine and hatred
A little reunion of all thats sacred
The sweet sickly scant release
I'm drunken on this little piece
The pariah to the parable
Your messiah fucked this animal
The crimes that crawl from in this mind
That's skewered to this daily grind
This half healed heart waits silently
Come kiss these lips violently
This half healed heart waits silently
Come kiss these lips violently
Prime evil
Prime evil
I'm dumb, disgusting, and depraved
And though I've seen some better days
The more you kick the more you kill
Waiting for that special thrill
Look in my eyes
Look in my eyes
Look in my eyes
Look in my eyes
Don't you wanna knell
Don't you wanna suck it?
Don't you wanna feel it
Don't you wanna fuck it?
Don't you wanna knell
Don't you wanna suck it?
Don't you wanna feel it
Don't you wanna fuck it?
Prime evil
Prime evil
My filthy sweaty little hands
Will grease your greedy swollen ham
I'll meen your maker and part your seas
Beg with your fists
Not on your knees
Prime evil
Prime evil

This half healed heart waits silently
Come kiss these lips violently
This half healed heart waits silently
Come kiss these lips violently
Look in my eyes
Look in my eyes
Look in my eyes
Look in my eyes
Don't you wanna kneel
Don't you wanna suck it?
Don't you wanna feel it
Don't you wanna fuck it?
Look in my eyes
Look in my eyes
Look in my eyes
Look in my eyes
Don't you wanna kneel
Don't you wanna suck it?
Don't you wanna feel it
Don't you wanna fuck it?
