The Battle

Dale Brown and Truth

When it seems like the world is upside down, tragedy and depression all around. I get the urge to want to cry and ask the father, WHY, OH WHY! But the only solution is to know, not to take a heartache person oh! The father has a plan the world is in his hands and let me hear you say HEY!

HEY! things ain't go my way! WAY! i know that's okay it's not my will but the Lord its not in my life and i can say God! GOD! i surrender all! ALL! please take full control! the battle is Lord this is the fight! Now i can say Hey! HEY!

When it seems like my world is all so fine but, there's a lot of things that's on my mind. Time and time again i fight this battle PRAYING I'LL WIN! Even though its hard to re-assure but there's safety in the Lord he'll supply my needs and I don't have to worry, NOW I CAN SAY HEY!

HEY! things ain't go my way! WAY! i know that's okay it's not my will but the Lord its not in my life and i can say God! GOD! i surrender all! ALL! please take full control! the battle is Lord this is the fight! Now i can say Hey! HEY

He's worthy everyday, I'll serve Him all my days! Before i ask he'll my problems, he will make a way! His mercy love and me, His love i'll always feel, The Battle is already won, I HAVE THE VICTORY!

HEY! things ain't go my way! WAY! I know that's okay it's not my will but the Lord its not in my life and i can say God! GOD! i surrender all! ALL! Please take full control! the battle is Lord this is the fight! Now i can say Hey! HEY
