Gone

Queendom

Wished I had told
Ooh was the only one
But it's too late, too late
She's gone

You sweat her, and I ain't talkin' 'bout a Coogi
You a big L, and I ain't talkin' 'bout Cool J
See me at the airport, at least 20 Louis
Treat me like the prince and this my sweet brother Numpsay
Brother Numpsay, groupies say I'm too choosy
Take 'em to the show and talk all through the movies
Says, she want diamonds, I took her to Ruby Tuesdays
If we up in Friday's, I still have it my way

Gone, we strivin' home
Gone, we ride on chrome
It's too late

Y'all don't want no prob from me
What you rappers could get is a job from me
Maybe you could be my intern, and in turn
I'll show you how I cook up summer, in the win-turr
Aaron love the raw dog, when will he learn?
Caught somethin' on the Usher tour he had to let it burn
Plus he already got three chil'run

Arguin' over babysitters like, ""****, it's yo' turn"

Damn 'Ye, it'd be stupid to ditch you

Even your superficial raps is super official

R-R-Roc Pastille with Gucci on

With TV's in the ride, throw a movie on

Said he couldn't rap now

He at the top with doobie long 'Cause the dookie's on any song

That they threw me on

Gone, we strivin' home

Gone, I ride on chrome

Gone, we strivin' home

We strivin' home

Gone, I ride on chrome

Sell drugs or get a job, you gotta play gyro My dawg worked at Taco Bell, hooked us up plural Fired a week later, the manager count the churros Sometimes I can't believe it when I look up in the mirror How we out in Europe, spendin' Euros They claim you never know what you got 'til it's gone I know I got it, I don't know what y'all on I'ma open up a store for aspiring MC's Won't sell 'em no dream, but the inspiration is free But if they ever flip sides like Anakin You'll sell everything includin' the mannequin
