

Learn To Love Again

Steps

How could it go wrong when I dreamed for so long,
Of you and no one else,
I thought you were truly the one who knew me,
Better than know myself, And since you went away I face the pain each day,
Of livin' without you,
Love had a hold on me and then it set me free,
Now there's nothing I can do but....Learn to love again (though it's hard I will believe)
I know the pain won't last,
I'll get there in the end (gonna make it through you'll see)
I'll mend this broken heart and....
Learn to love again (gotta get back on my feet)
I know the pain will pass,
And though I don't know, I'll get there in the end,
Somehow I'll learn to love again So many lessons, so many questions,
I'm tired of "what could have beens",
(but) nothing's forever, never say never,
Who knows where the heart will lead, 'Cos when you've been in love you know it's not enough,
To live without someone who cares,
So baby come what may I won't lose faith no way,
It's more than I can bear so I'll....Learn to love again (though it's hard I will believe)
I know the pain won't last,
I'll get there in the end (gonna make it through you'll see)
I'll mend this broken heart and....
Learn to love again (gotta get back on my feet)
I know the pain will pass,
And though I don't know, I'll get there in the end,
Somehow I'll learn to love again I know this pain won't last forever,
I'm gonna put this broken heart back together, Learn to love again (though it's hard I will believe)
I know the pain won't last,
I'll get there in the end (gonna make it through you'll see)
I'll mend this broken heart and....
Learn to love again (gotta get back on my feet)
I know the pain will pass,
And every now and then, I'll think of you my friend,
But somehow I'll learn to love again.
