

# Swingin'

## Blu Cantrell

Hangin' in the V.I.P  
Saw him comin' to holla at me a  
Playboy pique my curiosity when  
He asked me if I wanted to trade  
I was on my second drink and  
Feelin' sexy, now what is he thinkin'?  
Bangin', dancin', which way is he swingin'?  
What did he want from me? Oh I  
Aint' got no hang-ups  
Oh I  
Come to have fun tonight  
Oh I  
Might want to check him out  
As long as he can swing it my way Oh I  
I like his confidence  
Oh I  
So busy talkin' shit  
Oh I  
Hope he can handle this  
Let's take it to the floor  
Spend the whole night swingin' If you like swingin' get your hands up  
If you like swingin' get your hands up  
If you like swingin' get your hands up  
If you like swingin' get your hands up Fingers poppin' still boppin'  
We get tired but ain't no stoppin'  
Come on with it sweat keeps droppin'  
Rollin' off the side of my face  
Dirty dancin' huggin' kissin'  
All this fun I would've been missin'  
Didn't know he had it like this ain't  
It's so good I want some more Oh I  
Aint' got no hang ups  
Oh I  
Come to have fun tonight  
Oh I  
Might want to check him out  
As long as he can swing it my way Oh I  
I like his confidence  
Oh I

So busy talkin' shit  
Oh I  
Hope he can handle this  
Let's take it to the floor  
Spend the whole night swingin' If you like swingin' get your hands up  
If you like swingin' get your hands up  
If you like swingin' get your hands up  
If you like swingin' get your hands up Don't need a tired cliché  
If you wanna make a move my way  
So keep them less restrained  
It's about what you do, not what you say  
Cat daddy's obsessed  
Tryin' to get under my dress  
But I'm not impressed  
Baby boy is dreamin' less he's plannin' on swingin' Oh I  
Oh I  
Oh I  
Oh I  
Oh I  
Oh I  
Oh I  
Swingin' If you like swingin' get your hands up  
If you like swingin' get your hands up  
If you like swingin' get your hands up  
If you like swingin' get your hands up  
Swingin' If you like swingin' get your hands up  
If you like swingin' get your hands up  
If you like swingin' get your hands up  
If you like swingin' get your hands up  
Swingin' If you like swingin' get your hands up  
If you like swingin' get your hands up  
Hear me, yeah  
Swingin'
