

Save Me

Elegant Machinery

Though my face is straight
It still relates the fact, that I
Am lost in this peculiar dream
Your expressions make my scene You entertain me
Every night and day, my life
Is built upon your secret smiles
I 'm speechless when you Save me save me from myself
Sweet inspiration changed my wretched thoughts
Save me save me from myself
Sweet motivation in the words you brought Transparent words
Enfolds my disbelief, your voice
Illuminates my doubtfulness
You 've changed me more or less It feels so good to hear you
Spell my name, so soft
Are all those words you aim at me
Apparently you Save me save me from myself
Sweet inspiration changed my wretched thoughts
Save me save me from myself
Sweet motivation in the words you brought
