Could It Be Magic

Donna Summer

Oh baby it's been so long
I've waited so long
And now that I have you
I want you to come
Come, come, come
Spirits move me every time I'm near you
Whirling like a cyclone in my mind
Oh sweet Peter, angel of my lifetime
Answer to all answers I can find
Baby, I want you come
Come, come into my arms
Let me know the wonder of all of you
Baby, I want you now
Now, now and hold on fast
Could this be the magic at last?
Baby, take me high upon a hillside
High up where the stallion meets the sun
I could love you, build my world around you
Never leave you till my life is done

Baby, I love you, come
Come, come into my arms
Let me know the wonder of all of you
Baby, I want you now
Now, now and hold on fast
Could this be the magic at last?
Baby, I love you, come
Come, come hold on fast
Could this be the magic at last?
Could it be magic yeah?
Hold on, come into my arms
Could this be the magic at last?
Could it be magic?
Come, c'mon, c'mon
Hey come into my arms
Oh, let me know the wonder of all of you, all of you
Baby, I want you now, now, oh now
Oh now and hold on fast
Oh, could this be the magic at last?
