

Burning Car (dubterror remix)

[John Foxx](#)

She was dressed in a white suit
She looked like a bride too
Chorus: It's a burning car
It's a burning car
Then I looked at the sunset
And it felt like a stage set
(Chorus) Alright
And I looked at my watch face
I remembered the time and place
(Chorus) And I breathed in the night perfume
As we met in the dark room
(Chorus) Alright
