

# Story Of A Girl

## Nine Days featuring Blink 182, Matchbox 20, Third

This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad in photographs  
I absolutely love her, when she smiles  
How many days in a year  
She woke up with hope, but she only found tears  
And I can be so insincere, makin' the promises never for real  
As long as she stands there waiting  
Wearing the holes in the soles of her shoes  
How many days disappear  
When you look in the mirror  
Say how do you choose  
Your clothes never wear as well the next day  
And your hair never falls in quite the same way  
You never seem to run out of things to say  
This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad in photographs  
I absolutely love her, when she smiles  
How many lovers would say  
Just to put up with this everyday and all day  
How did we wind up this way?  
Watching our mouths for the words that we say  
As long as we stand here waiting  
Wearing the clothes of the soles of her shoes  
How do we get there today?  
When we're walking too far for the price of her shoes  
Your clothes never wear as well the next day  
And your hair never falls in quite the same way  
You never seem to run out of things to say  
This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad and lonely there  
I absolutely lover her when she smiles  
Well, your clothes never wear as well the next day  
And your hair never falls in quite the same way  
You never seem to run out of things to say  
This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad in photographs  
I absolutely love her  
This is the story of a girl  
Who's pretty face she hid from the world  
And while she looks so sad and lonely there  
I absolutely love her  
This is the story of a girl  
Who cried a river and drowned the whole world  
And while she looks so sad in photographs  
I absolutely love her when she smiles, when she smiles
