Rumble

You Am I

Got a new haircut
It cost me just six bucks
Filled a plastic bag with stuff I need
In a big dumb car, I'm off my kneesFill it up and start over again
Ooh, it's the rumble and moan
Transistor AM cassette droneIt's the sound without a home address
And hydromatic hopelessness
Fill it up and start over again
Yeah, fill it up and start over again and againAll night
R A D I O
Hit me hard and hit me lowStatic engine blow the scene
A rumble in the old machine
R A D I O
Ah, hit me just like Lionel Rose
R A D I OI heard stomach and soul
A rumble underneath my toes
And it didn't come with a clear face
Designer punk or daily rateFill it up and start over again
Yeah, fill it up and start over again and againAll night
R A D I O
Hit me hard and hit me lowStatic engine blow the scene
A rumble in the old machine
R A D I O
R A D I O
A rumble in the old machineRonnie James D I O
Fell down like Bocephus under all the noise and grease
Automatic mono style R I P it up Monkee style
