Kiss Ya

Crystal Bowersox

Don't you say you didn't know,
I thought I made myself clear
And I don't want you near me
And don't you say you didn't see
This little light is outta me
The twin gold in my eye,
Honey, it's no surprise,
Whoa...And I'm gonna kiss you when I see ya,
Baby, I'ma knock you down, oh,
'Cause I get held but I'm so glad I meet ya,
I don't give a shit who's around, oh,
Baby, you better pucker up those lips,
Take your hands and put them on my hips
When it's over, when it's all over,
I, I'm gonna do it again, yeah...Baby, don't mean playing stupid,
'Cause I know you know,
I know you know
That I, I want you near me
Don't you tell me that I'm crazy,
A little, maybe,
Crazy but you blame me
I, I wanna do it, uhuh,
I wanna do it againWell, I'm gonna kiss ya when I see ya,
Baby, I'ma knock you down, oh,
I get held but I'm so glad I meet ya,
I don't give a shit who's around, oh,
Baby, you better pucker up those lips,
Take your hands and put them on my hips
When it's over, when it's all over,
I, I wanna do it again, yeah,
Ooh, yeah...Uh, ooh,
I'm gonna kiss you when I see ya,
Baby, I'ma knock you down, oh,
I get held but I'm so glad I meet ya,
I don't give a shit who's around, oh,
Baby, you better pucker up those lips,
Take your hands and put them on my hips
When it's over, when it's all over,
I, I'm gonna do it again, yeah,

Gonna do it all over again,
Yeah, yeah, yeah, uhuh,
Ooh, oh, uhuh,
Hey, baby, yeah...Ooh,
I'm gonna kiss you when I see ya,
I'm gonna kiss you when I see ya,
I'm gonna kiss you when I see ya,
Baby, I'ma knock you down, yeah,
Hmm, huh...
