

Someday

Plankeye

Don't think, you'll get away
No one ever has
And don't think He'll turn His back
It doesn't work like thatYou're caught just like me but
It's not really all that bad
I think, someday you'll understand
Let's just hope that day comes fastI bet that you don't know
Just what it is you're running from
And your eyes are so blank
These kind of things are never goodYou're caught just like me but
It's not really all that bad
And I think, someday you'll understand
Let's just hope that day comes fast
And I think, someday you'll understand
Let's just hope that day comes fastYou're running faster than I ever could
I guess you're right, I guess I can't understand
But what I know is you can run as fast and far as you want
But it won't make any difference in the endAnd you're caught just like me but
It's not really all that bad
And someday, I think you'll understand
Let's just hope that day comes fast
And I think, someday you'll understand
Let's just hope that day comes fast
