# Since you've been gone

## Caesars Palace

[Willie - Verse 1]I know this might sound crazy but
I don't know what I did
To Make you wanna leave
You think we been here before
I say I'm sorry
You come back I do it again
And then pack but girl it's different now
See every time we had it out
You would go to the door
I chase behind you
And I talk you back down to the floor
You said that you needed time
Could you get back to me
And let me know how long you need
'Cause I can't take it no more
[Chorus]Since you been gone
I just can't seem to get right
And I miss you more than you'll ever know
Girl I just want a chance to talk to you
And let you know that I changed
Since you been gone
I stayed awake all-night
This bed just ain't the same without you here
I feel like I lost it all
Since you been gone
Since you been gone from me
[Bryan - Verse 2]"Come here, let me talk to you"
You can't expect for me to
Let it go that easily
One day we're making plans
The next day girl you're leaving me
Okay so I'm a jerk
I know I made you hurt
And yea your girlfriend was right
I got what I deserved
I know that last time
You said it was the last time
But baby all I need
Is one more last time

I'll make the best of it
I'll stop all my bullshit

And I'll become the man that
You always wanted
[Chorus]Since you been gone
I just can't seem to get right
And I miss you more than you'll ever know
Girl I just want a chance to talk to you
And let you know that I changed
Since you been gone
I stayed awake all-night
This bed just ain't the same without you here
I feel like I lost it all
Since you been gone
Since you been gone from me
[Robert - Bridge]Oooo ooooo
oooooo oooooo
ooooo oooo ooooooooowoo
Girl all that really means
I just miss you
Girl you got me saying
Oooo ooooo
oooooo oooooo
ooooo oooo ooooooooowoo
Girl I can't take this no more
I am missing you
[Chorus]Since you been gone
I just can't seem to get right
And I miss you more than you'll ever know
Girl I just want a chance to talk to you
And let you know that I changed
Since you been gone
I stayed awake all-night
This bed just ain't the same without you here
I feel like I lost it all
Since you been gone
Since you been gone from me
Oooo ooooo
oooooo oooooo
ooooo oooo ooooooooowoo
[X3]
