So Cool...hollywood

Lumidee

So you thought you own me, ha, try to control me
Almost let you mold me but found out you was phony
Had to learn the hard way, I guess that's how the cards play
Ain't no love lost, now I step to the flippin' boss
(Happy Hollywood)
This what you wanna say
(My happy Hollywood)
Don't let it play your game
(Happy Hollywood)
Say what you wanna say
(My happy Hollywood)
I'm, I'm so cool
Since the time that I first lifted you
Sit back an have any regrets
'Coz I think that you would if you were
Who I thought I knew
But I'm so cool, how about you?
What I went through
I wondered if you felt it too
I'm, I'm so cool
(Happy Hollywood)
This what you wanna say
(My happy Hollywood)
Don't let it play your game
(Happy Hollywood)
Say what you wanna say
(My happy Hollywood)
I'm, I'm so cool
Heard everything you said about me
How in the hell you would you ever doubt me
Did you think that I would crumble without you?
I'm, I'm so cool
Oh, no, not true 'coz I'm so cool
I hope that you sincerely
Understood my view
I'm, I'm so cool
(Happy Hollywood)
This what you wanna say
(My happy Hollywood)

Don't let it play your game
(Happy Hollywood)
Say what you wanna say
(My happy Hollywood)
I'm, I'm so cool
(Happy Hollywood)
This what you wanna say
(My happy Hollywood)
Don't let it play your game
(Happy Hollywood)
Say what you wanna say
(My happy Hollywood)
I'm, I'm so cool
All that remains, want to know
Was there something in your heart that made you stoop so low?
And all that remains, want to know
What was it you was on that made you stump your growth?
(Happy Hollywood)
Look, it's so good
I'm, I'm so cool
(Happy Hollywood)
I'm, I'm so cool
(Happy Hollywood)
I'm, I'm so cool
(Happy Hollywood)
This what you wanna say
(My happy Hollywood)
Don't let it play your game
(Happy Hollywood)
Say what you wanna say
(My happy Hollywood)
I'm, I'm so cool
