

# She Wants Me

Nick Carter

Attention ladies and gentlemen  
School's in  
Eh, shut up  
Time to teach you a little somethin' bro  
Heh heh ya right  
What? What's this you say?  
Just back off dawg, she wants me  
Are you talkin' junk?  
Haha! Dude you can't have her c'mon  
Check it out  
Saw you when you were trying to kick it to her  
Got a little kiss and you were  
Tellin' everybody that she was in to you  
Don't tell me you think you got her  
It's all become a little hotter  
She's been going with me, I guess you never knew  
Don't get hung up about it  
It's not you that she needs, no  
I'm the one, she told me so  
I don't want to be the one to tell you  
It's not you she wants to see, it's me  
So give it up, turn her loose  
You and her were never meant to be  
You're too blind to see  
You gotta let it be, she wants me me  
She wants me me  
Alright, I'm gonna break it down  
She's got you kind of mixed up and twisted  
You had a good shot and missed it  
Sorry bro, I guess you're getting too confused  
She told me I'm the one she runs to  
Whenever she wants a fun dude  
You better get your facts straight  
I'm telling you the truth  
You're too hung up about it  
And you don't really know what she needs  
I'm the one, she told me so  
I don't want to be the one to tell you  
It's not you she wants to see, it's me

So give it up, turn her loose  
You and her were never meant to be  
You're too blind to see  
You gotta let it be, she wants me me  
She wants me me  
You gotta let it be she wants me  
Hahaha, yeah right  
Yo, she wants me  
Heh, whatever, yo  
She wants me  
No way  
I'm gonna tell ya somethin', yo  
She wants me  
I'm the one, she told me so  
I don't want to be the one to tell you  
It's not you she wants to see, it's me  
So give it up, turn her loose  
You and her were never meant to be  
You're too blind to see  
You gotta let it be, she wants  
I'm the one, she told me so  
I don't want to be the one to tell you  
It's not you she wants to see, it's me  
So give it up, turn her loose  
You and her were never meant to be  
You're too blind to see  
You gotta let it be, she wants me me  
She wants me me  
Give it up, she wants me me  
Oh yeah, she wants me me  
She wants me
