

Horses in My Dreams

[PJ Harvey](#)

Horses in my dreams
Like waves, like the sea
They pull out of here
They pull, they are freeRode a horse 'round the world
Along the tracks of a train
Broke the record, found the gold
Set myself free againI have pulled myself clear
(My)
I have pulled myself clear
(Silent)
I have pulled myself clear
Silent, I have pulled myself clearHorses in my dreams
Like waves, like the sea
On the tracks of the train
Set myself free againI have pulled myself clear
Yes I have
I have pulled myself clear
(Oh, yes I)
I have pulled myself clear
Silent, I have pulled myself clear
