Baby (remix)

Crooked I

I don't remember feelin? like this
Baby, baby, I love you
Baby, baby, I love you
I got this Jones formin? in my bones from a man
Who indeed took over my soul understand
I couldn't breathe if he ever said he would leave
Get on my knees, till they bloody red baby please
See, I don't know if you get it yet, just don't know
He's like the lighter to my cigarette, watch me smoke
I never knew another human life, didn't know
Can have the power to take over mine
So baby, baby
Baby, baby, baby, baby, baby
Baby, I love you
Baby, baby, baby, baby, baby
I love it when I hear your name, got me sayin'
Baby, baby, baby, baby, baby
Baby, I love you
Baby, baby, baby, baby, baby
See, I could never feel alone with you in my life
I?ll give up everything I own for you won't think twice
Almost a shame how I'm mesmerized such a shame
I loose my thought lookin? in your eyes I know why
Because your kisses make my lips quiver and that's real
And when you touch me my whole body shivers I can feel
Now, I can see how another life, another life
Can have the power to take over mine, ?cause you?re my
Baby, baby, baby, baby, baby
Baby, I love you
Baby, baby, baby, baby, baby
I love it when I hear your name, got me sayin'
Baby, baby, baby, baby, baby
Baby, I love you
Baby, baby, baby, baby, baby
Brake it down
Baby, I can't see my worth I can't see
Living here on God's green earth God?s
You don't know what you've done to me, done to me
I never thought I'd need you desperately, desperately

It's kind of sick how I'm stuck on you, stuck on you
But I don't care 'cause I'm needin? you, I'm needin? you
And how I feel will remain the same, remains the same
?Cause you?re my baby, ?cause your my baby
Listen, and when the world starts to stress me out where I run
It's to you boy without a doubt you're the one
Who keeps me sane and I can't complain, can't complain
You're like a drug you relieve my pain, may seem strange
You're like the blood flowin? through my veins
Keeps me alive and feedin? my brain
Now this is how another human life, another life
Could have the power to take over mine, ?cause you?re mine
Baby, baby, baby, baby, baby
Baby, I love you
Baby, baby, baby, baby, baby
I love it when I hear your name, got me sayin'
Baby, baby, baby, baby, baby
Baby, I love you
Baby, baby, baby, baby, baby
Baby, baby, baby, baby, baby
Baby, baby, baby
Baby, baby, baby, baby, baby
Baby, baby, baby, baby, baby
Baby, baby, baby, baby, baby
...
