

# Baby (remix)

## Crooked I

I don't remember feelin? like this  
Baby, baby, I love you  
Baby, baby, I love you  
I got this Jones formin? in my bones from a man  
Who indeed took over my soul understand  
I couldn't breathe if he ever said he would leave  
Get on my knees, till they bloody red baby please  
See, I don't know if you get it yet, just don't know  
He's like the lighter to my cigarette, watch me smoke  
I never knew another human life, didn't know  
Can have the power to take over mine  
So baby, baby  
Baby, baby, baby, baby, baby  
Baby, I love you  
Baby, baby, baby, baby, baby  
I love it when I hear your name, got me sayin'  
Baby, baby, baby, baby, baby  
Baby, I love you  
Baby, baby, baby, baby, baby  
See, I could never feel alone with you in my life  
I'll give up everything I own for you won't think twice  
Almost a shame how I'm mesmerized such a shame  
I loose my thought lookin? in your eyes I know why  
Because your kisses make my lips quiver and that's real  
And when you touch me my whole body shivers I can feel  
Now, I can see how another life, another life  
Can have the power to take over mine, 'cause you're my  
Baby, baby, baby, baby, baby  
Baby, I love you  
Baby, baby, baby, baby, baby  
I love it when I hear your name, got me sayin'  
Baby, baby, baby, baby, baby  
Baby, I love you  
Baby, baby, baby, baby, baby  
Brake it down  
Baby, I can't see my worth I can't see  
Living here on God's green earth God's  
You don't know what you've done to me, done to me  
I never thought I'd need you desperately, desperately

It's kind of sick how I'm stuck on you, stuck on you  
But I don't care 'cause I'm needin' you, I'm needin' you  
And how I feel will remain the same, remains the same  
?Cause you're my baby, ?cause your my baby  
Listen, and when the world starts to stress me out where I run  
It's to you boy without a doubt you're the one  
Who keeps me sane and I can't complain, can't complain  
You're like a drug you relieve my pain, may seem strange  
You're like the blood flowin' through my veins  
Keeps me alive and feedin' my brain  
Now this is how another human life, another life  
Could have the power to take over mine, ?cause you're mine  
Baby, baby, baby, baby, baby  
Baby, I love you  
Baby, baby, baby, baby, baby  
I love it when I hear your name, got me sayin'  
Baby, baby, baby, baby, baby  
Baby, I love you  
Baby, baby, baby, baby, baby  
Baby, baby, baby, baby, baby  
Baby, baby, baby  
Baby, baby, baby, baby, baby  
Baby, baby, baby, baby, baby  
Baby, baby, baby, baby, baby

...
