Together

Garrison Starr

I don't know how to tell you,
That I've been wrong.
And I've known the same old thing,
For so long.Been trying so hard,
To put it all together.
And how can I?
Put it all together,In time with you,
The days run into days.
And everything is new,
I wanna stay with you!I've been trying so hard,
To keep it all together.
And how will I?
Keep it all together?Oh, oh, oh, oh...
(repeat 2x)I can't stand the shape I'm in.
I'm gonna lose my way again.
And I can feel ya come in,
Don't wanna hurt forever,
I'm gonna need some help,
To get it all together,
And I'm gonna need some help.
How will I?Keep it all together...
(repeat 3x)Hey yeah...
