

32 Pennies (Meeks remix)

Warrant

Spend my time and all my money
On a knob for my brass bed
Climb to the top of the highest mountain
Just to see how far I get
Dancin' with my shadow
But I let my shadow lead
And if I die with a penny in my pocket
Then I guess that's all I need Oh baby where you going to
I was thinking that maybe I would
Come along with you
I could walk on down the road
Till I found me someone new
But I think I'll stay just one more day
Cause I'm in love with you
Oh oh Yeah
Oh oh baby yeah
Thirty two pennies in a Ragu jar
That's all I've got to my name
But I love her and she loves me
To the pennies its all the same Oh baby where you going to
I was thinking that maybe I would
Come along with you
I could walk on down the road
Till I found me someone new
But I think I'll stay just one more day
Cause I'm in love with you
Oh oh My-my-my-my-my baby yeah Thirty two pennies in a Ragu jar
That's all I've got to my name
But I love her and she loves me
To the pennies it's all the same
Ooh ooh
Yeah
Ooh ooh Give me love, give me love
Give me love, give me love
Ooh ooh, Whoa yeah!
