Now That You've Won Me

The Temptations

Now that you've won me
I hope that you'll remember how.
Don't you forget it (no, baby)
'cause you know I love you now.
Keep on being sweet and kind in the same old way
Keep on saying that you're mine, each and everyday

Now that you've won me
Now that you've won me

Now that you've got me
I hope our heartaches don't begin.
I hope my heart was not just a bet you had to win.
Keep on kissing me day and night.
Don't you ever change
Keep holding me tight, baby.
Don't you dare start acting strange

Now that you've won me
Now that you've got me

I felt it quite a while ago, but I had to say "no"
I wouldn't admit it to myself.
But I guess it's right that the truth comes to the light:
I'll admit, this is it, baby.
I'll admit, this is it

Now that I'm yours
I hope you keep me for you own
Don't misuse me and then leave me all alone
Keep on doing the things that you did when we first met
I hope you still remember them
I hope you don't forget

Now that you've won me.
Now that I"m yours
Now that you've got me.
Now that you've won me.
Now that I'm yours.
