

Collide

Howie Day

The dawn is breaking
A light shining through
You're barely waking
And I'm tangled up in you, yeah I'm open, you're closed
Where I follow, you'll go
I worry I won't see your face
Light up again Even the best fall down sometimes
Even the wrong words seem to rhyme
Out of the doubt that fills my mind
I somehow find you and I collide Do do do do do x4 I'm quiet you know
You make a first impression
I've found I'm scared to know
I'm always on your mind Even the best fall down sometimes
Even the stars refuse to shine
Out of the back you fall in time
I somehow find you and I collide Do do do do do x4 Don't stop here
I lost my place
I'm close behind Even the best fall down sometimes
Even the wrong words seem to rhyme
Out of the doubt that fills your mind
You finally find you and I collide You finally find you and I collide
Do do do do do x2
You finally find you and I collide
