

# What Dying Feels Like

[Rebecca Lynn Howard](#)

Can't say that I blame you for walking out on me  
I know I've been hard to live with  
I won't try to keep you like I've done before  
I don't deserve all these chances So I'll let you go, even though I don't want to  
Just go, baby, before I change my mind  
I didn't know losing you would break me  
This must be what dying feels like I think I'll just stay cooped up in this room  
So I don't destroy my whole life  
You've always been here to clean up my mess  
But I won't do that to you this time So I'll let you go, even though I don't want to  
Just go, baby, before I change my mind  
I didn't know losing you would break me  
This must be what dying feels like Oh no, no, don't you look at me that way  
Don't tell me you wanna stay  
It's time for me to pay for treating you that way So I'll let you go, even though I don't want to  
Just go, baby, before I change my mind  
I didn't know losing you would break me  
This must be what dying feels like  
This must be what dying feels like
