

# The Darkness

Joy Villa

I'll walk away  
pretending every things ok  
it burns the pavement  
of my soul I know the truth  
what I did before did me no good  
These scars prove  
My pain cuz  
I don't want to live in the darkness  
I want to step into the light I can't stand the darkness It's seeping into my soul  
it's seeping into my soul woah woah And it's all that I know  
it's all that I know I'll turn the page  
a new story a new face  
I made the change  
for my  
self A heart to heart  
love has passed and now  
I feel alone  
this quill writes  
the song I don't want to live in the darkness  
I want to step into the light  
I can't stand the darkness It's seeping into my soul  
it's seeping into my soul woah woah  
And it's all that I know  
it's all that I know  
this hole is no place  
suffering needs change I'm breathing like it's the first time sunshine dries rain  
spirit needs space I'm seeing like it's the first time cuz I don't want to live in the darkness  
I want to step into the light  
Cause I can't stand the darkness  
It's seeping into my soul  
It's seeping into my soul woah woah And it's all that I know  
it's all that i know
