

Fine for Now

Grizzly Bear

There was time, it took time (all the while)
There is time, so much time
There is time, so much time

All the kids on the waterfront try to raise their hands
Not asking for your permission, please understand

If we're all faltering, how'd I help with that?
If it's all or nothing, then let me go.

If we're all faltering, why'd I help with that?
If it's all or nothing then let me go.

There was time, it took time (all the while)
There is time, so much time
There is time, so much time

All the kids on the waterfront try to raise their hands
Not asking for your permission, please understand

If we're all faltering, how'd I help with that?

If it's all or nothing then let me go
If it's all or nothing then let me go
