Number One (1.FM - The 90's)

Alexia

I want to hold you babyI want to hold you
Never be lonely with me by your side
Say that you want me baby
I got the things you've needed to get by
I wish you'd love me too
This time you promise, look into my eyes
Can give you lovin' baby
Show me the way to make you feel all right
Falling in love to youI want to be your number one
Nobody else tonight
You're gonna be my crazy love
I'll never let you downDon't want to lose you
I knew you'll never gonna break my heart
Say that you want me baby
I got the things you've needed to get by
Falling in love again
