

Mistaken

Scrimshire

"Mistaken"

[Intro:]Mmmmm Ohhhh yeah

 oh woowowoowoo ahh

[Verse 1:]See I cant Understand

 Why my man raise his hand

 Do it all thick and thin

 Was you a rider to the end

 Did my best to forget

 Like everything was cool

 And you aint into

 But I wont be a fool

[Bridge 1:]No more excuses

 ?Bout to lose it

 I cant do this

 Your games and all your lies are useless

[Chorus:]Ohhhh I cant believe you went and did me wrong

 Never thought I would make it on my own

You must have me mistaken for the BITCH that you was dating on the low

 Ohhh I'm better off now that I'm all alone

 Cause ain't no way I?m waiting by the phone

 So can you take it baby??

 She can freak you crazy

 Put it on you daily like OHhh!

[Verse 2:]La la la la la la la la laaaaaaaa

 Sick in tired of how it feel

 Couldn?t you just keep it real?

 Wasn't I good enough?

 Didn?t I show you love?

 Time and time day the day

 You had to have your way

 You were steady in my face

 Said I?m easy to replace

[Bridge 2:]No more lying

 Left me crying

 No more Buying

 Your games and all your lies about your Ohhh...

[Chorus:]Ohhhh I cant believe you went and did me wrong

 Never thought I would make it on my own

You must have me mistaken for the BITCH that you was dating on the low
Ohhh I'm better off now that I'm all alone
Cause ain't no way I'm waiting by the phone
So can you take it baby??
She can freak you crazy
Put it on you daily like Ohh!

[Verse 3:] Your never be a part of me again
Between the sheets with me
On top of you again
Hope she makes you happy
Happy till the end
Nothing last forever
You know that I'm better
Try to tell your friends that I aint worth the time
Now I'm gone I'm constantly on your mind
When you hear the song go ahead and press rewind
Wish we were together
Baby boy no never!

[Bridge 3:] No more excuses
?Bout to lose it
I cant do this
Your games and all your lies are useless
No more lying
Left me crying
No more Buying
Your games and all your lies about your Ohhh...

[Chorus:] Ohhhh I cant believe you went and did me wrong
Never thought I would make it on my own
You must have me mistaken for the BITCH that you was dating on the low
Ohhh I'm better off now that I'm all alone
Cause ain't no way I'm waiting by the phone
So can you take it baby??
She can freak you crazy
Put it on you daily like Ohh!
