Earthquakes Come Home

Shudder To Think

You looked bored but very fine after tea
Everyone moves too slow guaranteedBuried deep in snow
Dear earthquakes come home
Scare the piss out of the bedpansThe things I like I care for
Do you care what you're like?
I'd trade a lock of hair for you to care what IBuried deep in snow
Dear earthquakes come home
Scared ofHeaven is holding out for high scores
Up where tears pourI look good completely bored to the teeth
Everyone moves too slow guaranteedThe things I like I care for
Do you care what you're like?
I'd trade a lock of hair for you to care what IThe things I like I care for
Do you care what you're like?Heaven is holding out for high scores
Up where tears pour
Heaven is holding out for high scores
Up where tears pour downHeaven is holding out for high scores
Up where tears pour down
Heaven is holding out for high scores
Up where tears pour downHeaven is holding out for high scores
Hope your tears dry down the rope
