

# (i'm A) Road Runner

## Fleetwood Mac

Money, who needs it, let me live my life free and easy  
Put a toothbrush in my hand, let me be a travelin' man  
    'Cause I'm a road runner baby  
        I'm a road runner baby  
Can't stay in one place too long  
    I'm a road runner baby  
One look at me and I'll be gone  
Well you can love me if you wanna but I do declare  
    When I get restless, I've got to move somewhere  
    'Cause I'm a road runner baby, anywhere is my home  
And I love the life I live and I'm gonna live the life I love  
        A road runner baby  
Don't want no woman to tie me down, got to be free baby to roam around  
All my life I've been like this and if you love me it's your own risk  
All my life I've been like this and if you love me it's your own risk  
    'Cause when the dust hits my shoes, I've got the urge to move  
        Yes, I'm a road runner baby, got to keep movin' on  
Hey, and I live the life I love and I'm gonna love the life I live  
        I'm a road runner baby  
            Road, road runner  
            Road, road runner  
            Road, road runner  
            Road, road runner  
Don't want no woman to tie me down, got to be free baby to roam around  
All my life I've been like this and if you love me it's your own risk  
    'Cause when the dust hits my shoes, I've got the urge to move  
        Yes, I'm a road runner baby, got to keep movin' on  
Hey, and I live the life I love and I'm gonna love the life I live  
        I'm a road runner baby  
            Road, road runner  
            Road, road runner  
            Road, road runner  
...
