

Soco Amaretto Lime (the Molema

Brand New

Passed out on the overpass
Sunday best and broken glass
Broken down from the bikes
And bars Suspended like spirits Over speeding cars
You and me were kings over the
Parkway tonight
And tonight will go on forever While we walk around this town
Like we own the streets
And stay awake through summer
Like we own the heat Singing "everybody wake up(wake
Up)it's time to get down"
(everybody, everybody wake up
It's time to get down) And when I pass the bottle back
To Pete on the overpass tonight,
I bet we laugh I'm gonna stay eighteen forever
(cut me open)
So we can stay like this forever
(sun poisoned) And we'll never miss a party
(this offer stands forever)
'Cause we keep them going constantly
And we'll never have to listen (new haircut)
To anyone about anything
(new bracelet)
'Cause it's all been done and It's all been said
(eyeliner)
We're the coolest kids and we
Take what we can get (wait forever) The hell out of this town
Find some conversation
The low fule lights been on for days
It doesn't mean anyhting I've got another 500 nother 500 miles
Before we shut this engine down,
We shut it down I'm gonna stay eighteen forever
(cut me open)
So we can stay like this forever
(sun poisoned) And we'll never miss a party
(this offer stands forever)
'Cause we keep them going constantly
And we'll never have to listen (new haircut)
To anyone about anything

(new bracelet)
'Cause it's all been done And it's all been said
(eyeliner)
We're the coolest kids and
We take what we can get
(wait forever)(you're just jealous cause
I'm young and in love)
Eighteen forever
(your stomachs filled up but You're starved for conversation)
So we can stay like this forever
(you're spending all your nights
Growing old in your bed) And we'll never miss a party
(and your tearin' up your photos
'Cause you want to forget... it's over)
'Cause we keep them going constantly (you're just jealous cause
I'm young and in love)
And we'll never have to listen
(your stomachs filled up but You're starved for conversation)
To anyone about anything cause
It's all been done
(you're spending all your nights Growing old in your bed)
And it's all been said
(and your tearin' up your photos
'Cause you want to forget... it's over) We're the coolest kids and we take
What we can get Just jealous cause we're
Young and in love
You're just jealous cause We're young and in love [Repeat: x5]
