

Never Miss a Beat

Natalie Grant

You never miss a beat, beat
You never miss a beat, beat Every second of every minute
Every minute of every hour
There's not a moment that You look away You never sleep, You never slumber
I don't even have to wonder
Whether You care, if You're right there
You've been there all along You never miss a beat, beat
You're holding on to me, me
And there's nothing out of Your reach
Nothing in my life that You don't see
You never miss a beat, beat
You're holding onto me, me
You never miss a beat, beat
You're holding on, holding onto me The timing of Your plans are perfect
There's not a single need You forget
Nothing too small, nothing at all
Slips out of Your hands You never miss a beat, beat
You're holding on to me, me
And there's nothing out of Your reach
Nothing in my life that You don't see
You never miss a beat, beat
You're holding onto me, me
You never miss a beat, beat
You're holding on, holding onto me No reason left to fear
Your love is always here
I will never be alone
I will never be alone You never miss a beat, beat
You're holding on to me, me
And there's nothing out of Your reach
Nothing in my life that You don't see
You never miss a beat, beat
You're holding onto me, me
You never miss a beat, beat
You're holding on, holding onto me
