

Just a Dream

Langhorne Slim & The Law

well I woke up from a dream
birds were barking in the trees
maybe I'm just scared to fly Maybe it was just a dream Well I was tied down to the tracks
well it's hard there to relax
Maybe I'm just scared to die Maybe it was just a dream well this town is far too small
for a restless guy like me
Maybe I'm just scared to try Maybe it was just a dream Maybe it was just a dream Maybe it was just a dream,
dream, dream, dream Maybe it was just a dream, dream, dream, dream Maybe it was just a dream
