

# Hey Daydreamer

Sally Seltmann

Oh you could just pretend to be with her all day  
Remember the feeling when you first held hands today  
    Imagine her in your favorite white dress  
Smiling at you as if she thinks that you're the best  
    She tell you You and me, sitting on a tree,  
        K-I-S-S-I-N-G. You tell her  
    Baby hear me out will you marry me tonight  
        We're in this make believe reality  
And baby it's just you and meCoz when tonight she holds you tight  
    You wonder if this fantasy is right  
    Coz when reality comes to play  
    You realize you couldn't make her stay  
        Hey Daydreamer  
    You gotta be prepared to leave her in your fantasy  
        Coz when it's over, you gotta make sure  
that it's you who'll be with herOh you could be her soldier, her knight in shining armor  
    I'm sure you wanna make her feel how much you love her  
    And you wish to God that she can see the world in your eyes  
        So she can realize that she's the girl in your mind  
        And you don't mind if you don't make it out alive  
    Coz you knew right from the start that she's such a boy killer  
(I'm dying, I'm dying yeah)Coz when tonight she holds you tight  
    You wonder if this fantasy is right  
    Coz when reality comes to play  
    You realize you couldn't make her stay  
        Hey Daydreamer  
    You gotta be prepared to leave her in your fantasy  
        Coz when it's over, you gotta make sure  
            that it's you who'll be with her
