## Lush

( originally by wire; written by lewis/newman )  
No blind spots in the leopard's eyes  
Could ever hope to jeopardize  
The lives of lambs  
The shepherd cries  
An afterlife for a silverfish  
Eternal dust, less ticklish  
Than a clean room  
A houseguest's wish(chorus)  
He lies on his side  
Is he trying to hide  
In fact it's the earth  
Which he's known since birth
