Chivalry

Circus Maximus

Run away,
Far away.
From the past that's chasing you.
Run away,
win the race.
Let your will carry you home.
And the you tumble along the way.
It catches you up like you were prey.
It shakes you up and make you regret.
(...)You've, you've reached the borderline.
You've, you've reached the borderline.
It's getting closer,
you can feel the heat it's getting nearer,
there's no defeat...
Dig a hole and hide.
To the soil you may confide.
Until it collapses and buries you alive.
I guess you were unaware of it all.
Ignorance blinded your actions.
Where do you go when you've gone to far?
An act of chivalry.
Disgracefully.
Unfaithfully.
Borderline
