You & I (Nobody in the World)

John Legend

You fix your make up, just so
Guess you don't know, that your beautiful
Try on every dress that you own
You were fine in my eyes, a half hour agoIf your mirror won't make it any clearer I'll
Be the one to let you knowOut of all the girls
You my one and only girl
Ain't nobody in the world tonightAll of the stars, you make them shine like they were ours
Ain't nobody in the world but you and I
You and I
Ain't nobody in the world but youYou stop the room when we walk in
Spotlights on everybody staring
Tell all of these boys, they wasting their time
Stop standing in line, cause you're all mineAnd this evening I, won't let the feeling die
I never wanna leave your sideOut of all the girls
You my one and only girl
Ain't nobody in the world tonightAll of the stars you make them shine like they were ours
Ain't nobody in the world but you and I
You and I
Ain't nobody in the worldYou keep wondering if you're what I'm wanting
You don't even have to tryYou don't have to try
Don't try
Don't try
You don't have to tryOut of all the girls
You my one and only girl
Ain't nobody in the world tonightAll of the stars, they don't shine brighter than you are
Ain't nobody in the world but you and I
You and I
You and I
Nobody in the world tonight
Ain't nobody in the world but you and I
